1. Review and Approve Minutes

As noted in the minutes for our last meeting, approval of minutes from recent meetings was deferred. At our next meeting, we will review and approve minutes for the five meetings listed below in the section marked "Other."

2. Comprehensive Policy Review: Section E

As a result of repeated information across policies as well as a misalignment to current practice, the following policies will be eliminated from the Falmouth Public Schools' Policy Manual:

- EE
- EEAEC
- EEAEF
- EEAEF-R

Members then proceeded to the review of Section E, and discussion led to three policies, to date, that will need additional attention:

- EEA
- EEAA
- EEAG
