Absent: Lori Duerr, Melissa Keefe, Andrea Thorrold; Jim Hardy, MASC

Date: Thursday, April 11, 2019

1. Comprehensive Policy Review: Section F

As a result of repeated information across policies as well as a misalignment to current practice, the following policy will be eliminated from the Falmouth Public Schools' Policy Manual: FA-E: Facilities Development Goals.

Here is a summary of the discussion related to other policies discussed:

- FA: Facilities Development Goals – The members determined to use MASC model language as the foundation for the policy; however, the first paragraph will be deleted; the team revised the second paragraph and retained the final one.
- FB: Facilities Planning – The Town counsel is reviewing the policy and suggesting language for update.
- FCB: Retirement of Facilities – The members revised the policy.
- FF: Naming of School Buildings or Facilities – The members agree to use MASC model language with some revision.
- FFA: Memorials – This is a new MASC recommended policy. Members agreed to add this policy to the Falmouth Policy Manual with some revision.
