A Special Event Application is available either on the Town website: www.falmouthmass.us / Departments / Board of Selectmen or in the Office of the Town Manager & Board of Selectmen.

Complete the application. Attach any maps, sign requests or letter further describing the event.

For use of Marina Park, Bandshell or Falmouth Heights Ball Field, contact the Recreation Department first at (508) 457-2567 for availability and to reserve the space.

Forward the application to the Office of the Board of Selectmen and Town Manager. Include the $10.00 filing fee. The application is forwarded to the proper town departments to obtain the necessary recommendations to be forwarded for discussion/approval by the Town Manager’s Internal Working Group for Special Events. Then the recommendation of the working group is presented to the Board of Selectmen during a Selectmen’s meeting for discussion/approval.

Upon approval by the Board of Selectmen, a letter of approval is mailed to you. All fees and required documents must be submitted to the Selectmen’s office in order to obtain the permit.

Requirements for prospective users of the Shining Sea Bikeway

Organizations or individuals seeking to use the Shining Sea Bikeway for Special Events are required to affirm that they will abide by the rules for users of the Bikeway.

The Shining Sea Bikeway is a shared use path that serves transportation and recreational needs on a continuing basis and must not be impeded or blocked.

PROSPECTIVE USERS MUST AGREE TO
1. Stay to the right and pass on the left, giving an audible signal when passing
2. Allow breaks for passing traffic to merge into the event traffic: do not bunch up
3. Within 12 hours of the event, clear the path of any debris and directional markers
4. Confirm that helmets are in use, as required by law, for all bicyclists under 17 years of age
5. Provide marshals to direct participant traffic at road crossings so that traffic on the road and on the bikeway is not endangered or inconvenienced by the event
6. Obtain clearance from the Falmouth Police, if indicated, to hold the event
7. Notify all participants of their obligations under the above rules

ADDITIONAL REGULATIONS: TOWN OF FALMOUTH
• Dogs must be leashed and controlled at all times
• Pet waste must be cleaned AND removed from the path
• Groups must not span more than half (one 5-foot lane) of the path
• Move right when signaled to allow others to pass within the lane
• When stopping, move off the path surface

SAFETY AND CONSIDERATION
• The Shining Sea Bikeway is a Shared Use Path and all have equal rights to use it. Respect the rights of others.

Please sign and date to indicate acceptance of these requirements.

SPECIAL EVENTS USE POLICY
January 6, 2014

1. Purpose
The purpose of this policy is to promote the enjoyment of Town Property without negatively impacting the site or our neighbors and to reduce the Town's liability for private activities authorized on public property.

2. Special Events Policy
The Town of Falmouth hereby establishes the following policy to govern Special Events. This policy shall apply to applications for use of public roads closed upon request and in all municipal parks, grounds and beaches.

Additional policies and procedures may apply depending on the scope of the Special Event Proposed. The Recreation Committee (Gus Canty Recreational Building; Grounds and Recreational Facilities and Fields) and Library Trustees and Library Department (all public libraries and grounds) and the Parks Department (Goodwill Park), and Beach Committee, have standing policies and fees related to use of related facilities. Any board, committee or commission so enabled to approve events will issue permission in conformance with the minimum conditions of this policy.

SPECIAL CONSIDERATION:

a. During the Months of July and August, approval of Special Events will be made only after careful consideration of the effect that the event will have on parking and traffic congestion in the proposed area. For example, special events on the main streets of the villages of Falmouth will be given careful consideration and will be avoided if at all possible during July and August.

b. The Town Manager's Special Events Working Group will provide its recommendation to the Board.

Each event must be approved by a vote of the permitting authority. Any individual or organization planning an event must complete a “Special Event Application Form” provided by the designated agency. The Permitting Authority will consider each complete application, including referrals from the Police Department, Fire Department, Department of Public Health and any other Town Department or Agency that may be involved in the event.
requested. To allow for the review period, Special Event Request forms are requested at least 60 days in advance of the event date.

For special events on Town beaches, please also see the Beach Use Policy.

All applicants agree to restore the site to its original condition, removing all trash, equipment, etc., immediately following the event, regardless of the source. The permitted group will compensate the Town for any clean-up or repairs required as a result of the approved activity.

The Event Sponsor / Applicant shall acknowledge this policy by returning a signed copy with the Special Event Request Form.

3. Minimum Conditions
The following are minimum conditions:
   a. Special Events Fees (see attached Fee Schedule).
   b. In addition to the Special Events Fee, a $300 deposit check, made payable to the Town of Falmouth is required of all special events. The deposit check will be held in the Selectmen's office and returned to the organizer(s) at the conclusion of the special event.
   c. Payment of related fees shall be submitted with an application
   d. Signs: Approval for one (1) on-premise special event/promotional sign may be approved by the Building Commissioner. Off-premise signs that are within the Town's Sign Code requirements must be approved by the Board of Selectmen. Off-premise signs that are not in compliance with the Town's Sign Code requirements must be submitted to the Design Review Committee in writing with a design or photograph of the proposed sign(s). Off-premise signs requested on private property must receive approval from the property owner in advance of approval by the Board of Selectmen. Requests for off-premises signage must be received by the Board of Selectmen/Design Review Committee one month in advance of the special event.
   e. Raffles must be performed by licensed non-profit organizations only.
   f. Parking is available in designated public parking lots and as allowed on the street. There are no special exceptions to posted parking regulations or fees.
   g. Portable toilets are allowed upon request.
   h. The Police Department will recommend the number, location, and duration of police details required.
   i. The Fire Department and Marine and Environmental Services Department will recommend details as may be required to ensure the safety of an event.
   j. Events proposing the sale of liquor must apply separately for a one day liquor license. The one day liquor license is issued by the Board of Selectmen
   k. Events will be permitted on a first-come, first-serve basis. Annual events such as road races, village association events, festivals, etc., will notify the Town as soon as annual dates are set to reserve the time needed.
   l. The Applicant agrees to Hold Harmless the Town of Falmouth and will sign and return the Hold Harmless agreement provided in the Application Packet.
   m. The Applicant will obtain all necessary permits for the event proposed, including, but not limited to:
      - Building Permits for tents and structures;
      - Health Inspections for food service;
      - Design Review Committee for off-premises sign approval.
n. Special Event coverage—a certificate of insurance in the amount of $1,000,000 is required.

o. Additional Insurances, including Auto Liability in the amount of $1,000,000 and Workers Compensation insurance will be required for events with auto and employee liability exposure.
   - Events Proposing the consumption or sale of alcohol shall provide Liquor Liability Insurance in the amount of $2,000,000 in the aggregate and $1,000,000 per occurrence.

p. All Special Events require review by the following departments:
   - Board of Selectmen (as specified)
   - Department of Public Works
   - Police Department
   - Fire Department
   - Any other permitting departments required, based on event proposed including, but not limited to:
     - Recreation Director
     - Building Commissioner
     - Design Review Committee
     - Health Department
     - Beach Department

A copy of all approved requests with special conditions shall be filed with the referring departments.

Per Order of the Board of Selectmen
January 6, 2014

I, __________________________, have read and agree to all of the conditions of this policy and to any other conditions that may be required by the permitting authority.

FALMOUTH FIRE RESCUE DEPARTMENT
PUBLIC EVENT STANDARD

SCOPE

The following is the standard that sets the minimum requirements for fire & life safety and emergency planning, and shall be applied to all shows, trade or commercial, fairs, festivals, concerts, or otherwise, and shall apply whether or not the show is open to the public. It shall apply to indoor or outdoor events or a combination of both.

A. PLANS

Accurate, to scale floor or site plans (TWO SETS) for the entire show shall be submitted to the Fire Rescue Department a minimum of fifteen (30) days prior to the opening date of the show. Plans shall show size and location of booths, exits, and aisles. One approved plan will be returned.

B. ADVANCED APPROVAL

The following activities must be approved in advance by the head of the Fire Rescue Department and a permit issued if required:

1. The cosplay and operation of any heater, barbecue, heat producing device, lamp, lantern, etc.

2. The cosplay or operation of any electrical, mechanical, or chemical device which may be deemed hazardous to life.

3. The use and/or storage of flammables, compressed gases, or dangerous chemicals.
4. The use of any LPG fired equipment or any open flame cooking equipment such as a charcoal grill may require a permit. If required, the permit shall reflect the specific location the cooking is to take place. The area must be kept clear of combustibles and a minimum of a 3-A, 40-B, C (10LB) fire extinguisher shall be at each location, under this section, that intends to cook. No cooking or heat producing equipment shall be allowed in tents that are not fire retardant or that are accessible by the public.

5. Any displayed, motorized vehicle shall have its battery disconnected and its fuel supply reduced to not more than 1/2 tank or 10 gal. whichever is less. All motor vehicle tanks shall have locking gas caps or have the caps taped shut to prevent "tampering". Garden tractors, chain saws, power plants, and other gasoline-powered equipment shall be safeguarded in a similar manner.

6. No parking of any vehicles inside a building will be allowed unless with prior approval. Cars and trucks shall be removed immediately after unloading.

C. EXITS AND FIRE LANES

1. Exit identification and designation of the way thereto shall be provided and maintained at all times.

2. Exit lights and/or emergency egress lights shall be installed, by the host facility, if required by the Head of the Fire Department, or his designee. Such devices shall be installed per 780 CMR (building code).

3. Aisles and exits, as designated on approved show plans, shall be kept clean, clear, and free of obstructions. Booth construction shall be substantial and fixed in position in the specified areas for the duration of the show. Easels, signs, etc. shall not be placed in the exit paths.

4. All existing fire lanes shall be maintained, where possible, or additional temporary fire lanes shall be installed.

5. No vehicle shall be allowed to move through a crowd without at least two observers to prevent accidents.

D. EMERGENCY PLANS AND EQUIPMENT

1. Approved fire extinguishing equipment is located throughout the building, additional approved type fire extinguishers may be required on orders of the Fire
Rescue Department. Accordingly, the extinguishing equipment shall remain free of any obstructions and shall be plainly visible at all times.

2. Any grease producing cooking equipment used in fixed, mobile, or temporary concessions, such as trucks, buses, trailers, pavilions, tents, or any form of roofed enclosure, shall be protected with an automatic fire extinguishing system, unless otherwise exempted by the authority having jurisdiction.

3. The show manager shall advise all exhibitors of the building's/ facility's fire alarm system (if any), location of pull stations, standpipes, fire response, etc.

4. An emergency plan must be in place for the duration of the event. This must include the ability to report a fire, police, or medical emergency. The plan will include a method for the emergency services to contact responsible organization officials throughout the duration of the event. These officials must have the authority to make decisions and commit organizational funds to resolve emergencies that may occur during the event.

E. UTILITY SERVICES

1. Electrical and gas installations shall be made and inspected according to applicable National standards and Town regulations.

2. No more than two (2) propane tanks per booth/exhibit location. Propane tanks and compressed gas cylinders must be secured to a fixed object with a non-combustible material such as a chain. Containers of greater than 30 lbs. each shall be installed by a licensed gas fitter or the propane company that owns the tank/tanks.527 CMR 6.00)

3. All compressed gas cylinders such as those used for the filling of balloons or the charging of soda systems shall also be properly secured against damage due to being tipped over. Any spare compressed gas or LPG cylinders shall be secured in a safe and secure location approved by the fire department.

4. Electrical cords, hoses, etc. shall be protected against tripping (buried, covered, etc.).

5. Electrical cords/ multiple outlet units shall be protected by adequate overcorrection devices, (circuit breakers), be in good condition, and of adequate size to handle the loads. NOTE: This is in addition to the building circuit breakers.
F. FLAME RETARDANT TREATMENT

1. All decorations, drapes, signs, banners, acoustical materials, hay, straw, moss, split bamboo, plastic cloth, and similar decorative materials, shall be flame retardant to the satisfaction of the Fire Rescue Department (per 527 CMR). Canvas, cloth, cardboard, leaves, and similar combustible material shall not be used. Accordingly, oil cloth, tarpaper, and certain plastic materials cannot be made flame retardant and therefore their use is prohibited.

2. All tents shall comply with 527 CMR 19.00 – tentage and/or 780 CMR - Building Code and/or NFPA 102 (whichever applies), and may require a permit through the appropriate authority having jurisdiction.

G. GENERAL

1. Literature on display shall be limited to reasonable quantities. Reserve supplies shall be kept in closed containers and stored in a neat and compact manner.

2. Show management shall assume responsibility for daily adequate janitorial and rubbish pick-up services, and shall advise all exhibitors that booths shall be cleaned of combustible rubbish daily. Rubbish shall not be allowed to accumulate.

3. Smoking, flammable liquids and open flames are not allowed in buildings and tents open to the public. No smoking signs will be posted.

4. Combustible materials shall not accumulate under bleachers.

5. Oily rags and waste shall be kept in a separate covered metal container.

6. The following items shall not be permitted, stored or sold: Electrically conductive balloons, weapons, fireworks, smoke bombs, stink bombs, snap caps, bomb bags, silly string and any other items that may cause harm, injury and/or may incite civil unrest. This includes, but is not limited to, displays, storage, sales, gifts, promotions, etc.
H. Fire / EMS Details

1. After reviewing the event plans, the Falmouth Fire Rescue Department may require a fire watch and/or an emergency medical detail based on the nature or scope of the event or number of occupants / participants.
