

## **WATERWAYS COMMITTEE MEETINGS**

All non-regulatory board meetings for the Town of Falmouth have been indefinitely postponed until further notice.

At minimum there will be no meeting in April or May. A decision whether to hold the June meeting will be made at a later time.

Thank you for your understanding during these trying times. Please feel free to contact the Harbormasters Department with any questions you may have regarding this issue.

Gregg Fraser  
MES Director/Harbormaster
