

Little Pond Sewer Service Area (LPSSA) Acknowledgement Form – Combined Permit Application

In accordance with Chapter 180 of the Code of Falmouth and the Rules and Procedures set forth in the Little Pond Sewer Service Area combined permit application,

I _____, Owner, or Authorized Representative
(Property Owner or Property Owner’s Authorized Representative)

of Owner of property at _____
(Property Address)

_____ attest that _____ , _____
(Assessor’s Parcel ID) (Plumber) (License Number)

is required to oversee the connection of the building(s) on my property to the Little Pond Sewer System *and* is required to oversee and coordinate all necessary permits included in this combined permit application.

While not recommended, if _____ chooses to install sewer connection pipe on
(Plumber)

my property prior to sewer lateral placement by the Town’s Contractor at the property line, he/she acknowledges that lateral location and elevation may change due to general construction and site conditions, and he/she accepts responsibility for any necessary final correction required to connect the sewer connection piping on my property to the lateral stub at the property line.

By signing this Little Pond Sewer Service Area Acknowledgement Form, I

(Property Owner or Property Owner’s Authorized Representative)
agree to abandon the septic system on this property in accordance with the requirements of the Falmouth Board of Health’s Septic Abandonment Permit to be issued for this Property.
